

COMPSCI 3SH3 Winter, 2021

Student name: Khizar Siddiqui

Student ID: 400109902

Date: 29-January-2021

Lab 1 Report

Q1 - Jiffies

This creates a proc file that (when run) returns the current value of jiffies.

Source Code: *q1.c*

Q2 - Seconds

This creates a proc file that (when run) returns the time (in seconds) since the module was created. It uses the difference in jiffies as well as the Hz rate to calculate this.

Source Code: *q2.c*
